THE SHINE BEHIND INDIA'S PRIDE!

Crompton Lighting takes pride to be
the illumination partner for Landscape
& Street Lighting

THE STATUE OF UNITY, GUJARAT.

National Energy Conservation Day

December, 2019, Vigyan Bhawan, New Delhi

Minister of State (Power) Shri RK Singh giving away Trophy and Certificate to CGCEL on 14.12.2019 at Vigyan Bhawan, New Delhi.

Introduction

At Crompton Consumer Business, we work tirelessly to ensure a comfortable and classy lifestyle for you. It's been an unending quest to provide innovative lighting products with cost effective range. With vast experience over decades, Crompton has been successful in associating with end consumers right from individuals to business partners and is now a recognizable name worldwide. Although spread in different sectors, our Lighting division is one of the oldest business line.

Crompton Lighting portfolio holds General Lighting, Commercial Lighting, Industrial Lighting, Street Lighting, Infrastructure Lighting etc. With a path breaking technology, it has marked its footprints in LED business with wide range of LED products which meets modern consumer requirements. Along with its enviable and extensive portfolio, Crompton believes in quick and efficient After Sales Service giving its customers a delightful experience.

Complaints registered through Toll Free No. [1800 419 0505] are resolved within 48 hours by one of our 500 Authorised Service Centres (ASC) spread across India.

Crompton Greaves Consumer Electricals Limited Won "**National Energy Conservation Awards – 2019**" for 9W LED Bulb in the Category - **Most Energy Efficient Appliances of the Year.**

Superior quality, customized range, cost effective solutions and after sales service has been the pillars of Crompton's sustainable business.

LED Lamps

MAGIC LAMP - 9W

3in1 Colour

The Magic 9W LED lamp with its 3-in-1 feature provides you options to set the ambience as per your mood. The lamp operated through a single switch click can change between Cool Day light, Warm White to Neutral white colors.

- Warm white light is perfect choice for rooms and furniture that are to be highlighted in classic style. It gives warm and pleasant lighting and is good for rest or relaxation.
- Neutral white light is advisable for modern rooms where contrast with other colors is needed.
- Cool Day Light provides light similar to light on a sunny day and is useful if you need to read study or work on your laptop.

**3in1
